Which of the following best describes how inflation and higher costs have impacted your personal and household financial situation?

- 1) With inflation and higher prices, we are struggling to keep up and afford basic necessities.
- 2) We are not struggling but inflation and higher prices have had a significant impact on our finances and spending.
- 3) Despite inflation and higher prices, we are still able to afford our normal spending without cutting back.

If you knew that it were true that the Democrats in Congress voted to end the Trump tax cuts and by voting to END President Trump’s 2017 Tax Cuts, EVERY DEMOCRAT in Congress supported a tax hike of over \$4.5 trillion that would raise taxes on 80% of Americans by over \$2,000 to \$3,000 a year. Would this make you more likely or less likely to vote for a Democrat for Congress in next year’s mid-term election?
