

Marquette Law School Supreme Court Poll

November 5 - 12, 2025

National Issues only [↗](#)

(Percentages are rounded to whole numbers for reporting of results. Frequencies have been rounded to whole numbers but percentages are calculated based on non-integer weighted sample sizes.)

Results for survey items among all respondents are presented here (unless otherwise indicated). Please note that some questions are only asked of particular groups of respondents. In these instances, the row NAs includes the number and percent of total respondents omitted from the question. These omitted cases are ignored when calculating the Valid and Cumulative percent columns.
