RE: NY-12 DEMOCRATIC PRIMARY POLLING

NY 12 Democratic Primary Polling

Schoen Cooperman Research conducted two surveys in February 2026 with Likely Democratic Primary voters in New York’s 12th congressional district.

Horserace Findings

SCR’s most recent poll, conducted between February 22-25, finds Jack Schlossberg with a 10-point lead in the district’s Democratic Primary race with close to one-quarter of the vote (23%), followed by George Conway (13%), Alex Bores (11%), and Micah Lasher (5%). Around one-third of voters are undecided (34%).

Similarly, SCR’s early February poll found Schlossberg leading by 7-points with 23%, followed by Conway (16%), Bores (9%), and Lasher (8%). One-third of voters were undecided (33%).
